# Company History

## Vision & Mission

### MISSION

**HYPER – CONNECTED FULFILLMENT**

We aim to expand and connect all fields of e-commerce fulfillment in order to become a one-stop service provider.

# A wide range of services with optimal quality

Fastbox provides services that you can get the most out of according to your needs. You focus on selling and marketing! The rest will be taken care of by us.

## Service Overview

### E-Commerce Fulfillment

Overall distribution support services from warehouse rental to inventory inbound, outbound and management

An optimal service for clients who want inventory management and domestic delivery services

### Cross Border

A cross border service limited to shipping

A cross border service for clients who want the freedom to handle their own products

# The Realization of E-Commerce Logistics

## E-Commerce Fulfillment

Our optimized one-stop solution will help you throughout the whole distribution process from inbound to delivery, return, and customer service.

- Distribution centers that operate under the consultation of Cafe24 Corp.
- Consignment services that save your facility costs
- Ensured capacity for multiple sales channels and mass orders
- Distribution optimization for reduced costs
- A fully equipped security system for enhanced reliability
- Constant distribution system development for improved quality

# One Invoice for Worldwide Shipment!

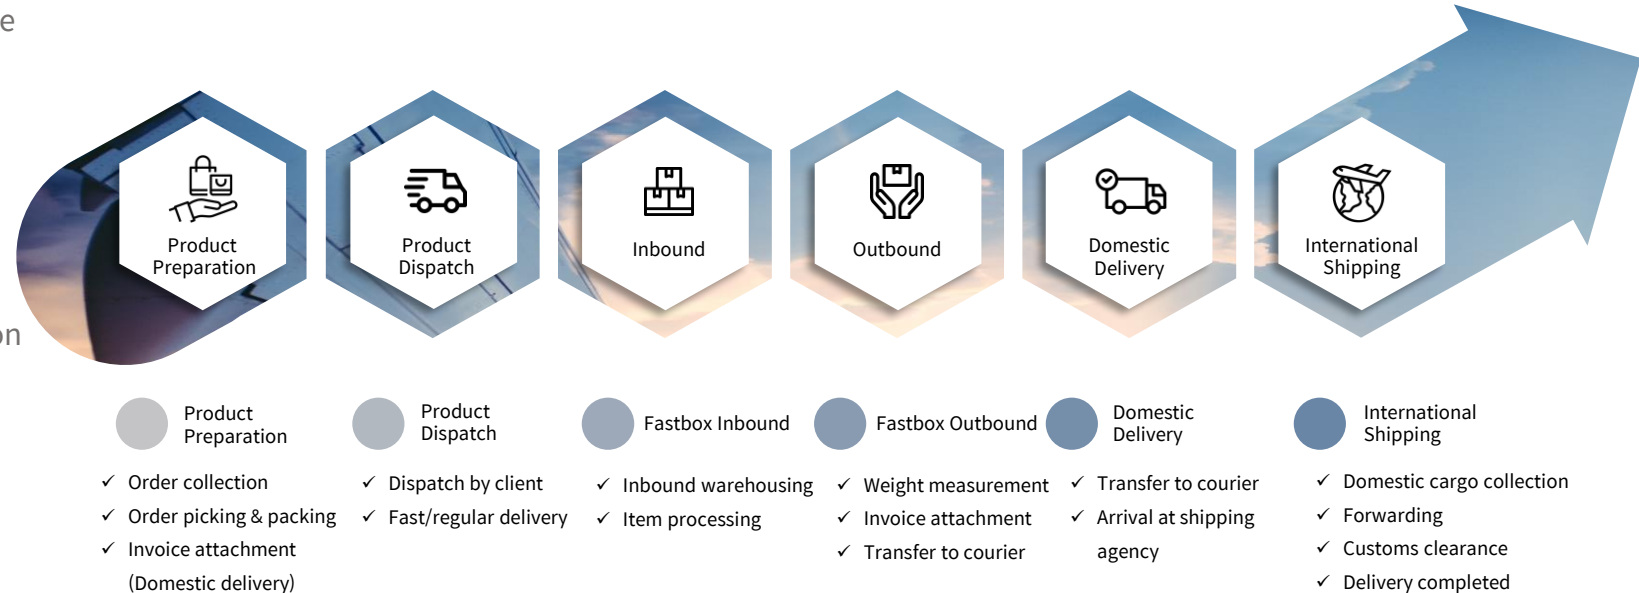

## Cross Border

International shipment becomes easy with our internal solution!

Fastbox covers complicated processes such as customs and export declarations.

Send us your international packages per order, then we'll measure the items, attach the invoices by country, and hand them over to the express courier for delivery.

- Reduced distribution cost with the economy of scale
- Solid infrastructure and partnerships to shorten delivery time from weeks to days
- Freedom for clients to handle products
- Visualized work process and smooth communication via internal solution and communication channel
- Reduced initial investment costs for small/home office business owners
- Shortened shipment lead time through close relationships with partners
